Practice Lessons

5

Students practice all concepts covered in a chapter through practice lessons. This reinforces their learning and builds confidence for school tests.

Milestone Assessments

6

Every unit ends in a milestone test that assesses the overall progress of the student. Students receive a detailed analysis of their strengths and weaknesses after each test.

Lido Exclusive!

Project-based Lessons

7

All units end with projects so as to facilitate application of concepts which facilitates better retention

Lido Exclusive!

Revision Lessons

8

Revision Lessons are based on the concept of "spaced repetition" where students revise and practice core concepts at regular intervals.

Lido Exclusive!

Parent Teacher Meets

At Lido, we believe that parents need to be engaged participants in their child's learning journey. PTM lessons are periodic meetings where teachers review student progress with parents

Milestone projects

At Lido, we believe in project-based learning! Every unit ends with an awesome Milestone Project so your child can put their skills into practice.

How we do it

Step 1: Identify the Challenge

Breakdown the project using logic and critical thinking to identify the framework.

Step 2: Brainstorm and Prototype

Explore, brainstorm with your classmates, and evaluate different options before finalizing on your approach to tackling the challenge.

Step 3: Build your project

Use your creativity to bring your solution to life in the form of a blog, podcast or story.

Step 4: Improve based on Feedback

Once you submit your project, it is graded by our expert teachers who provide detailed feedback to ensure constant improvement. You also receive a detailed report with your scores and progress on the Lido skills matrix.

Step 5: Add to your Learning Portfolio

Every project you build at Lido is added to your very own learning portfolio so you can track your progress, and share your successes with your family and friends!
