

English at Lido Learning:

Your child can become an extraordinary problem solver!

The Benefits of Learning English Now:

Be Future Ready

Succeed in your exams and open door to opportunity for further studies!

3

LIDO

Why is **English at Lido** the perfect choice:

Curriculum

Lido's World Class Curriculum is designed by Harvard, Stanford, and IIT Alumni!

Group Classes

Lido's group classes result in better conceptual understanding, a fun learning environment, and holistic personality development!

Tutors

Lido's smart yet empathetic teachers are trained rigorously to not just teach but mentor your child!

Personalisation

Lido personalizes your child's experience

— from creating the perfect batch to
personalized homework after each class

— so that your child can reach their full
potential!

Parent Tracking

Lido tutors will ensure you know how your child is performing, including areas of development, through regular Parent Teacher Meetings (PTMs) and the performance tracking feature within the Super Parent App!

Kickstart your child's learning journey

Become more curious, creative, confident with **India's leading English course** for Grade 3

5

Practice Lessons

Students practice all concepts covered in a chapter through practice lessons. This reinforces their learning and builds confidence for school tests.

6

Milestone Assessments

Every unit ends in a milestone test that assesses the overall progress of the student. Students receive a detailed analysis of their strengths and development after each test.

Q Lido Exclusive!

Project-based Lessons

Students create engaging projects set around challenges and problems they may face in the real world. Our project-based approach guarantees that math comes to life by creating games and building apps.

Я

Revision Lessons

Students practice all concepts covered in a chapter through practice lessons. This reinforces their learning and builds confidence for school tests.
